Dan Eldredge and his team really came to the rescue with our complicated pool project. In contrast to countless contracting nightmares, Dan Eldredge fencing was professional, right on with timing and price and our fence design is breathtaking. It is interesting to us that of all the design elements of our pool we receive the most comments on our beautiful black metal fence! We would recommend Dan Eldredge Fencing to anyone. I guarantee your experience with Dan and your finished product will exceed all of your expectations.

Sincerely,  
Ron and Jennifer Simonetti

Dan,

Thank you fro a great job with the fence work at my house here in West Chester! A fair price and a great value! I wanted to add a privacy area so that I can enjoy my patio area after haveing now 7 properties adjoining me. I chose the vinyl as it is a maintenance free and high quality product that matches the house. My kids make the third generation of my family in this home. I gave it a major face lift, trusting only good comapnies with great reputations and quality work. I needed to look no further when I saw an Eldredge is now in the fence business! That famiby name in it's self has been proven one over 50 years for reaching the high mark of excellence and quality work!

I contacted your company, Dan Eldredge Fencing, and you showed that to me all over again! Work was on schedule; a great crew of guys showed up and did a wonderful job! Timely, courteous and of course they worked as a team and made a final cleanup for a nice job well done.

Have been having a few BBQ's since then and it is greatly appreciated by the entire family! Thank you,

Fred Chambers

Thanks!

Dear Dan,

Jacquie and I wanted to let you know how thrilled we are with the fence you installed for us and the first class service that your company provides. All of your employees we worked with, without exception, were knowledgeable, kind, patient, considerate and professional. And you really came through for us when my lack of planning made the job more difficult, which we really appreciate.  
Best Regards,

Tim & Jacquie Raynor

Dear Lew,

Congratulations. I hear that you and your wife are expecting another little one. When I told Jim you were working on my fence two years ago, I asked him if you and your wife had a boy or girl as your wife was expecting then with your second child. Nice to hear your family is growing.

Enclosed is my deposit of \$340.<sup>00</sup> for work scheduled for Tuesday, August 8<sup>th</sup>. Thank you.

Sincerely,  
Edna Haughey
